

TIKINAGAN CHILD AND FAMILY SERVICES 2021-2022 Board of Directors Travel Expenses

Tikinagan Board members are appointed by Chiefs Councils to ensure representation throughout Tikinagan's service area which covers 1/3 of the province of Ontario. Board members serve without remuneration/pay. Tikinagan pays travel costs for Board members to attend Board meetings and other related Board business. Most of our Board members live in fly-in First Nations and attending a meeting requires expensive flights and multiple travel days to get to and from the meeting location. Some of the communities are not serviced by scheduled flights, and more expensive charter flights need to be arranged.
