**RE:** Referral for Supported Transitional Living

---

In the spirit of Mamow Obiki-ahwahsoowin and through Neegaan Inabin, a supportive transitional living program has been developed to support young people on their journey towards independence. This program will provide them with a safe, comfortable and affordable place to live.

Neegaan Inabin has developed an Intake package, which includes a referral form, that will need to be completed for those interested in accessing this program.

An email address has been set up to receive all Intake packages, see below:

For any questions, please reach out to your immediate Service Manager for further clarification.
